

Strengthening Families

The All Saints' Human Concerns Commission is looking for 30-40 volunteers, age 18 and up, to assist in conducting a door-to-door survey in the Garden Homes neighborhood this Spring. The survey is called "Strengthening Families." The purpose of the faith-based mission is to identify problematic circumstances that might contribute to a family being unable to solidify a viable foundation.

In conjunction with the survey is an employment opportunity through another project called, "Pathways to Employment." Several business organizations within Milwaukee have partnered with All Saints and guaranteed employment for individuals who complete a required job-readiness process.

There will be training in March for all volunteers, and we hope to begin in April. All the organizations involved are excited and looking forward to helping the participants. If you are interested, please contact me, Edward Nwagbaraocha at, (414) 552-7416 or Rosemary Murphy at the parish rectory, (414) 292-0532.
