

All Saints Catholic Church 2026 Women's Retreat - Our Sacred Yes: God Still Has a Yes for Me!

Join us on this sacred journey facilitated by

Vevette Hill-Nwagbaraocha!

Vevette Hill-Nwagbaraocha serves as an Assistant Director at Marquette University, where she supports the spiritual development, community engagement, and leadership formation of students of African descent. Her four-decade career in social services includes extensive work in Trauma-Informed Care, providing training across schools, universities, and government agencies. She previously owned a consulting practice focused on strengthening families through evidence-based training and reunification services, consistently centering underserved communities.

Vevette is a founding member of Serving Older Adults of Southeast Wisconsin and has held leadership roles with Interfaith Older Adult Programs and Lad Lake Inc. She holds a Master of Arts in Systematic Theology from Sacred Heart Seminary and School of Theology, an MBA from Cardinal Stritch University, and a Bachelor of Science in Political Science and Criminal Justice from the University of Wisconsin Oshkosh. A licensed social worker, she is completing a two-year formation program in Spiritual Direction with Seminars in Ignatian Formation.

Deeply rooted in faith and service, Vevette has been a member of All Saints (previously St. Agnes) for over 40 years. Currently, she is on the Board of Catholic Charities, and the Archdiocese Black Catholic Ministry Commission. She considers her most meaningful vocation to be a mother to her three children, Vivevca, Vashti, and Victor.

We are grateful that Vevette will be guiding us on this year's retreat and look forward to sharing this special weekend with you. We hope you can join us!

As women of All Saints Catholic Church, each year we gather women from our parish and extended faith communities for a weekend to evangelize and to support each other. While honoring our unique women's spirituality, we form each other as disciples of Christ.

Women of all ages are invited to join us for an enlightening, uplifting, and fun weekend as we reflect on this year's retreat theme: *Our Sacred Yes: God Still Has a Yes for Me!* led by Vevette Hill-Nwagbaraocha. Together, we will be reminded that God's purposes for our lives are not exhausted, there is still an invitation, a calling, and a next step of faith waiting for our response. **Will you say YES?**
